PERSONAL AND CONFIDENTIAL

SUBJECT: Clemens George Carter, Jr.

Dear Doug:

Thank you for the information concerning Clemens George Carter, Jr.. This information certainly helps us and will enable us to refuse registration should an application reach our office at a later time. At the present time we do not believe we need further information. If anything else develops this certainly would help to strengthen our file.

We do not have any tenure reports which indicate trained versus untrained adult volunteers. The training of volunteers has not been recorded except for the leader. This information has not been tabulated to any extent.

I am sorry I can not help you at this time.

Sincerely,

READY TO FILE
